Dear University of Oklahoma Supporter:

The University of Oklahoma American Indian Alumni Society (AIAS) is pleased to announce the **Annual F. Browning Pipestem Memorial Benefit Golf Scramble** to be held on **October 20, 2017** at the **Westwood Park Golf Course in Norman, OK.**

In 2002, the F. Browning Pipestem Memorial Scholarship Fund was established in honor of the memory of Mr. Browning Pipestem. Mr. Pipestem was dedicated to enriching the lives of American Indian students and devoted his time and energy to being a positive, respected and influential supporter among the American Indian community. As a graduate from the University of Oklahoma College of Law, and an active member of the AIAS Board of Directors, he demonstrated a strong commitment to American Indian people, both at the local and national arenas. Since the inception of the Scholarship Fund, numerous American Indian students have been privileged to accept such an esteemed scholarship at the University of Oklahoma. The Scholarship has been an invaluable resource for many American Indian students.

The annual benefit golf event generates considerable funding for this premier American Indian scholarship as well as operating costs for the club. As a supporter of the University of Oklahoma and the American Indian community, we invite you to join us in assisting American Indian students in higher education. There are several opportunities for you to support this event, whether it is playing in the tournament, sponsoring a team, providing raffle items, or giving a generous monetary donation. Enclosed you will find the sponsorship and tournament information. Please help us in our efforts to assist American Indian students in realizing their dream of a college education.

For more information, please do not hesitate to contact Noetta Harjo at noetta.harjo@gmail.com. We appreciate your continued support!

All the best,

AI Alumni Society Golf Committee
